

Taleo Registration Page Privacy Statement

Taleo Registration

In order to use this website, a user must first complete the registration form. During registration a user is required to provide an email address and create a password. The email address provided is stored by Textron for a period of 6 months in order for users to access their account and search for jobs, however, is not further processed or shared unless a user submits a job application and separately agrees to further processing of the Personal Data provided in connection with such job application.

A user may request the information they provided during registration be deleted by contacting recruiting@textron.com, however, the user would have to create a new registration at a later time should they want to access the applicant website.
